INFORMATION DISCLOSURE STATEMENT WITH STATEMENT

UNDER 37 CFR §§1.56 AND 1.97

Commissioner for Patents
Alexandria, Virginia 22313

Dear Sir:

The references listed in the attached PTO Form 1449 may be material to the examination of the above-identified patent application. These references were cited in a corresponding Japanese application. A copy of the Examination Report, which was dated August 22, 2006, is enclosed herewith, as well. These references are submitted in compliance with the applicant's duty of disclosure pursuant to 37 CFR §§1.56 and 1.97. Accordingly, the Examiner is requested to make these citations official record in this application.

In said Examination Report, these cited references were considered pertinent for disclosing function block-type structure comprising "function block-type structure analyzing means" for analyzing function block and/or function block-type structure contained in a program and "function block phenomenon relation structure analyzing means" for analyzing relationship structure of function block phenomenon contained in such program and for disclosing the technology of displaying function block-type relationship structure analyzed by such means and function block phenomenon relationship structure.

This Information Disclosure Statement is not to be construed as a representation that additional information (material to the examination of this application) does not exist or that the enclosed reference(s) constitute prior art.

Statement under 37 CFR § 1.97(e)

The undersigned hereby states that the references enclosed herewith were cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the Information Disclosure Statement. (37 CFR 1.97(e)(1))

Accordingly, it is respectfully submitted that no fee is due in conjunction with the filing of this IDS. However, should the Commissioner determine that additional fees are required for filing the present Information Disclosure Statement, the Commissioner is hereby authorized to charge any such fees to our deposit account number 500388 (Order No. OMRNP080).

Respectfully submitted,
